

XPro GK450

104-Key Mechanical Backlit Gaming Keyboard

N-Key Rollover Support

Excellent for gaming and typing, the XPro GK450 is a mechanical backlit gaming keyboard with hot-swap key switch socket and 2 USB Hub. Fast button response speed, precise tactile feedback, and a "click" sound. The top-grade PBT double-shot keycaps with matte finish provide enhanced LED shine-through and fade-resistant keys. The backlit keyboard is equipped with 3 color cycles and 6 lighting configurations. These configurations will bring you more fun when you are gaming or typing.
